Business & Industry Perspective

School Counselor Perspective

Higher Ed Faculty Perspective

Student Perspective

Reflection...

What do you think the parent's perspective is of college and career readiness for students?

Reflection...

What expectations do you think parents have of schools in regards to preparing their students for college and career readiness?

Reflection...

What similarities did you notice among the various college and career readiness perspectives discussed today?

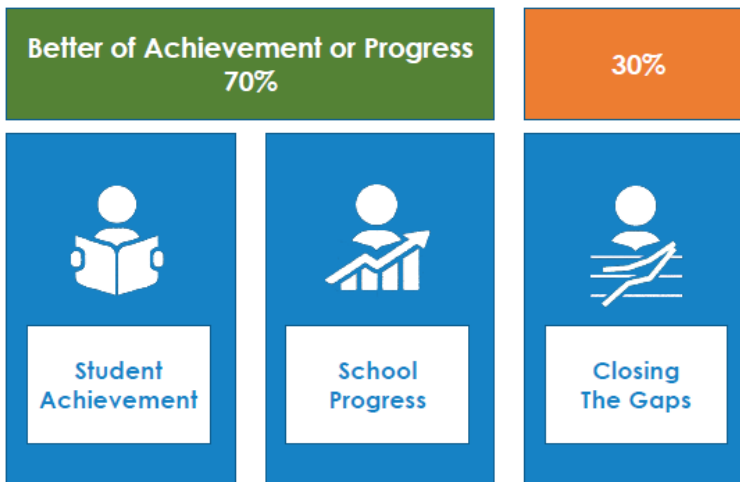

Reflection...

What differences or disparities did you notice among the various college and career readiness perspectives discussed today?

Why is it important *Now*?

Three Domains: Combining to Calculate Overall Rating

Student Achievement Domain Indicators

Elementary School

Middle School

High School

- College, Career, Military Ready (CCMR)
- Graduation Rates

Elementary/Middle Schools

- STAAR

Weight

100%

High Schools, K-12, and Districts

- STAAR
- College, Career, and Military Readiness (CCMR)
- Graduation Rate

40%

40%

20%

CCMR Indicators for HS, K–12, and Districts
